“As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.” *Galatians 6:10*

GRAHAM ROAD
Baptist Church
Where the Road Leads to Calvary

Dear Pastors, Church Families, and Praying Friends,

As many of you know, we surrendered to missions in July of 2022. Since that time, we've begun preparing a path toward a life of full time ministry! God has used the Scriptures to make our calling clear. Through several passages, including 2 Timothy 4:12, Acts 20:4, and Colossians 4:7, as well as others, He has directed our path to a ministry of helps; assisting Gospel workers (missionaries and local churches) with special projects, strengthening the relationships between missionaries and churches, and eventually, furlough coverage. I (Joe) have begun working towards my Associates Degree in Biblical Studies through Rock of Ages College of Biblical Studies and Theological Seminary, completing my first year of studies this past July. We've taken two trips to Scotland as team members with See The Harvest, a ministry of World Wide New Testament Baptist Missions, to assist with the distribution of the Gospel alongside missionaries in southwest Scotland. We've been serving and training for ministry in our local church, supporting other nearby local churches with special projects on occasion, and I have had opportunities to preach at a couple of those local churches and their outreach ministries.

As we continue our journey toward the goal of full time ministry, the Lord has opened a door to work on a short term basis with a church in Ocala, FL. Through God's providence, Pastor Michael West and Memorial Baptist Church have invited us to serve there for approximately six months, which will allow us the opportunity to minister alongside those folks, and continue our education in the ministry! Besides working in ministries much like many of those in our home church at Graham Road Baptist, Memorial Baptist Church has several outreach ministries that will be new to us, including Freedom That Lasts, a Christ-centered, Bible-based, local-church-focused discipleship ministry to those who are enslaved in life-dominating sins or overcome by hurtful events of life. We look forward to how God will use this season to grow us closer to Him, and teach us how we can better shine the light of the Gospel in the world!

Throughout this season, we would like to be able to share our burdens and celebrate God's victories with you! We would like to use these letters to inform you, dear friends and fellow laborers, on how you can best pray for needs and praise Him for his provision along with us. Our contact information is at the bottom of these letters. Please feel free to reach out to us or our pastor with any questions you may have!

Would you please pray for safety as we travel to Florida in the coming days? Please pray for us as we settle in to our new (temporary) residence with our dog. Pray as we begin to serve with Memorial Baptist; for our education and edification through MBC's investment in our future ministry, and that our service there would be a blessing to them and in their community. Please pray for our home church as new folks step into and learn the roles we leave. Above all, would you pray that God be glorified in all we do to serve Him? We are thankful for your partnership in prayer!
